All information current as of May 2015

\* US\$ uses actual quarterly exchange rates

\*\* Constant \$ uses Q4 14 average exchange rates (Q1 2015 rates for Algeria, Belgium, Brazil, Chile, China, Colombia, Egypt, Mexico, Peru, Russia, Saudi Arabia, United Arab Emirates and USA). □

Due to significant and ongoing currency effects, forecasts shown for Venezuela and Argentina use a US dollar projected exchange rate rather than a LC\$ constant exchange rate.
